In Appreciation

Miss Bova

Thank - you for the use of the Rocketeer camera.

Mrs. Hitchings:

Thanks for all the times you let us "steal" your typewriters

Mr. Moran

It's teachers like you who make the senior year "memorable"

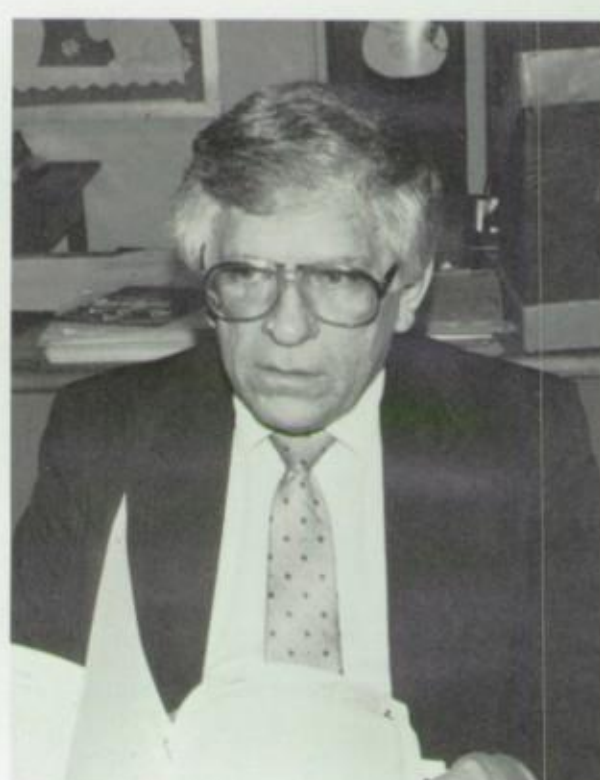

Mr. Kwiat

Thank - you for all your patience and kindness through the years. You're a great person; we'll miss you!!

Mr. Bertolini

Thanks for all your jokes and compassion. Don't forget Av Gadro's number!

Mr. Brayer - We could not thank you enough for being the best advisor in the Tri-County Area. We could not have done it without you!

Putting together a yearbook is no easy task. It takes a lot of hard work, dedication and time from the staff and the advisor. This page is to recognize and thank the faculty members for their time and unselfishness that helped us "get it together"

Sincerely,
Lisa Marie Panici
Editor-in-chief

*This Yearbook Is Dedicated In
Memory Of Paul V. Johnson*

Mr. Johnson standing in the gym that would later be named in his honor.

Mr. Johnson dining with his family on his birthday, March 4, 1984.

For his expressed interest in teaching and in his pupils

For his ability to motivate learning and stimulate thought

For his ceaseless patience, understanding, and guidance

For his concern, enthusiasm, and cheerfulness

These were the qualities of Mr. Johnson that the Class of 87 experienced vicariously through our teachers, our parents, and other members of the community who knew him so well. We never had the pleasure of knowing Mr. Johnson, but through all that we have heard, and we have heard so much, Mr. Johnson has our sincere respect and admiration. In memory of "The Old Grey Fox", this one's for you, one last time.

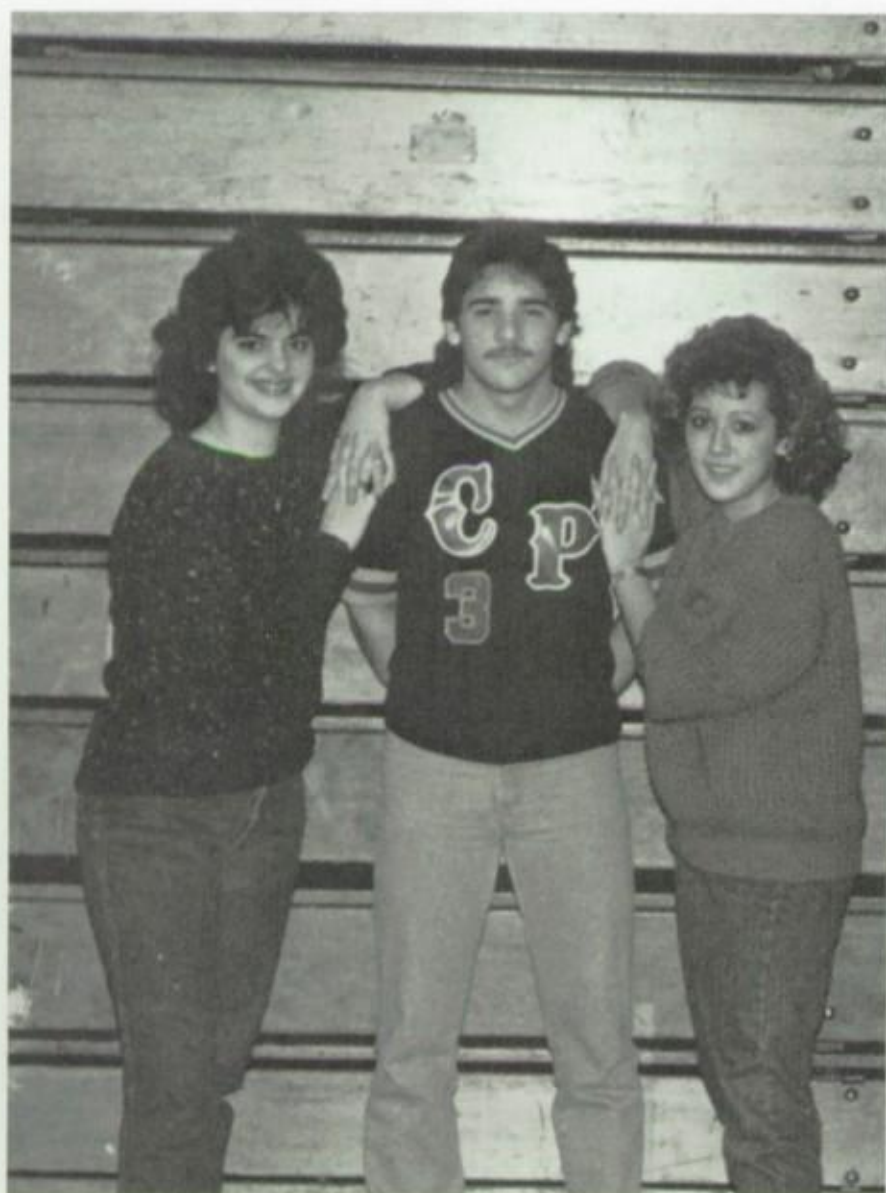

Remember the good times; Remember them well.

Mr. Johnson with his wife and daughter at the ceremony in which the gym was named in his honor.

Administration

Mr. Bertolini - Principal

I have mixed feelings about watching the class of '87 graduate from L.H.S. On the one hand, I am happy that you made it (some of you had me worried!), and excited that you are embarking on a new part of your lives. On the other hand, I'll miss you, I have seen you grow up over the past four years, and you have grown up. You are a much more mature group than you were when I came to Lowellville. I have seen some of you demonstrate tremendous leadership potential and some of you develop a caring attitude toward your fellow man. Not, of course, that the process is complete: far from that. Some of you have a long way to go yet before you will be really grown-up, even though for some the realities of life after school have already begun. But, hey, I like you guys and your like ability is one of your strengths as a class. Build on it as you continue your lives, and God bless you.

Principal Joseph Bertolini

Mr. Kwiat - Superintendant

Will Rogers once said that a man learns in only two ways; one by reading and the other in association with smarter people. The class of 1987 has been surrounded by education for the past thirteen years, exposed to much more than just reading and in association with many intelligent people, some of whom were their own classmates. We hope all your school experiences have provided you with the tools necessary to lead a successful, meaningful life, keeping in mind that what you do for mankind is more important than what you do for yourself.

I have a special feeling for the class of '87, it being the class that marked the beginning of my superintendency, and also the class that graduated the same year as Bob Kwiat, Jr. I can appreciate your eager anticipation to enter the adult world and I wish you the very best in all that you attempt to do as you join the mainstream of life, while keeping in mind that your greatest success will come in your love for yourself, your family, and your fellow man.

*Robert E. Kwiat
Superintendent*

Sister Rose Dailey*

On November 20, The National Honor Society added six new members at the annual ceremony held in the Paul V. Johnson Gymnasium. Senior member Kim Kmetz and special honored guests Lisa Conti, Kim Eckman, Pat Ferraro, and Mark Mediate, (former NHS members), welcomed the guest speaker, Sister Rose Dailey, who is a member of the National Peace Council. The new members chosen were Kelly Arp, Lena Ballone, Chris Heban, Alan Ritzert, Kathy Ward, and John Valentino. Members of the National Honor Society have a grade point average of 3.0 or above, and they must have the qualities of leadership, character, and service.

The L.H.S. Speech Team has competed its second season. We are still a young team. We have, however, the same number of members as schools three times our size. The Speech Team is composed of students who: stay after school for countless hours of practice, and get up as early as 6:00 a.m. on a Saturday morning to attend a tournament. It takes a lot of time, dedication, patience, and hard work to be a member of the Speech Team. Although at times, your efforts seem to go unnoticed, realize that I'm very pleased and proud of each one of you. Realize too, that being able to communicate successfully is the key to being a successful person in the future. Your experience on this team will enable to you to nurture and to improve communication skills that you will be able to use not only in high school but also for the rest of your life!!

Is Anytime

Throughout the entire year, starting with the summer practices, these girls have worked very hard. I have never had the pleasure to work with a group that was so dedicated, self-motivated, enthusiastic and skilled, as this years cheerleaders. Every week they worked on something different, whether it be a spirit project or a new cheer, they wanted to do things bigger and better each time. Through it all we gathered many memories. This was one of the best squads Lowellville has seen for a long time and I will miss the combination of girls I was fortunate to have. To the girls, Thank You for everything, especially for restoring my faith in the level of cheerleading excellence Lowellville can achieve. Good Luck to the seniors and to next years squads that will also be very exciting to watch. And Thank You Char, for your leadership, dedication and spirit- a captain like you doesn't happen very often.

This past season brought a lot of new changes for us, both on the field and off. For the first time we attended a dance camp at Ohio State University. At camp we not only learned new routines, we also learned to work as a unit and this brought us closer as friends. This season also gave me the opportunity to choreograph, an opportunity that I really enjoyed. We also performed at a YSU basketball game for the first time. Along with all of our activities, we brought home many awards. I am very proud to have been a member of this danceline. All of our hard work and good times resulted in a successful season. Best of luck to all of you dancers. I know you will go far.

1986 Homecoming King And Queen

Brock Evans And Lena Ballone

A Night To Remember

The 1986 Homecoming was held on October 10th and 11th, 1986. It began with the game on October 10th. The Rockets were victorious over the Western Reserve Blue Devils with a score of 32-6. At the half, the girls were escorted by their fathers to be presented to the audience.

The dance and crowning ceremony were held the following evening, with the music provided by Don and Odie Crook. At approximately 10:30, the suspense began. The court slowly walked out through the beautiful helium balloon arch decorated in the colors pink and silver. The theme song for the evening was Heaven In Your Eyes. The 1985 King and Queen, Frank Lellio and Kim Kmetz, crowned Brock Evans and Lena Ballone as the 1986 Homecoming King and Queen. Following the dance, the couples went out for dinner and then over Victor's house to "celebrate" the Homecoming.

L.H.S. Coaches - Guiding The Way

The Coaching Staff and I would like to congratulate the football players for their efforts this past season. At times the Rockets played exciting and excellent football. Unfortunately, we could not maintain the consistency of play that was needed to be a winner. We came very close to being a "play-off" team. I especially would like to commend those athletes who worked very hard not only during the season, but in the off-season as well. I'm sure you've learned that one must work hard to be a winner, and that one must work twice as hard to keep on winning!

I want to thank the Seniors and wish them good luck in the future. I know that the lessons that you learned on the football field will help you to go out into the world prepared to be winners. Set your goals high and work hard to attain them and you will be a sure winner in the game of life.

The coaching staff and I feel very good about the athletes that will be returning this coming season. We feel that you have the experience, pride, and determination to be winners. We are confident that you can carry the Lowellville Rocket's Football Team to a successful season.

Sincerely,
Coach Al Boggia

Perry, Thomas, Caldwell Inductees To LHS Hall Of Fame

Dr. Joseph Perry, Mr. Jack Thomas, Mrs. Doris Straw Caldwell (accepting for her husband the late Mr. William Caldwell), Mr. Joseph Bertolini, principal.

The Lowellville Hall of Fame Induction ceremony was held on October 17, 1986 at the Paul J. Menichini Memorial Field. The three inductees were Dr. Joseph Perry, Jack Thomas, and the late William Caldwell. Joseph Perry played the positions of guard and linebacker under Coach Santillo and won All-Conference honors in his Senior year of 1962. Jack Thomas played the quarterback position under Coach Jack Geddes. Jack's 1971 honors included First Team I. C. L., First NEO, and All-State recognition. William Caldwell played the guard and tackle positions under Coach Paul Johnson. During William's senior year in 1931, the Rockets had a record of 7-1 with the only loss to Boardman.

Coach Rogers

The girls on this years volleyball team were a pleasure to work with. They did everything that was asked of them. They were cooperative and eager to improve their skills. The season proved to be very interesting. The team's record of 5 wins and 14 losses does not really reflect the type of season we had. The girls showed great improvement and their game became stronger. During one period of time, the best volleyball ever played at Lowellville was displayed by these girls. They defeated Mineral Ridge and Springfield, and lost to Jackson Milton in a 3 game match, with 2 games going into overtime. All of these teams are considered powerful teams every year. This was also the first year in a long time that the girls advanced to the sectional finals.

The J.V. team also showed much improvement over the year. Even though they ended the year with 6 wins and 11 losses, they were always in the match and never gave up.

I would like to thank the girls for making this past season an enjoyable one, and I hope that they also enjoyed and benefitted from the experience. I would like to wish the seniors; Nancy, Char, Lisa, Stacey, and Kim, much success and happiness in whatever they undertake in their future endeavors. I hope that their volleyball experience will be a memory they will keep with them forever as they face new challenges.

Tournament ROCKETS-37 Lisbon 46

The members of the 1986-87 Varsity Basketball team, because of our small numbers, had to perform under the most adverse conditions of any team in Rocket History. Because of this adversity there is no doubt in my mind that this will be the most memorable year I, personally, have experienced. In spite of this, the Rockets, with the exception of four or five games, performed well. For the most part the boys never gave up hope and proved their perseverance with their outstanding performance against a much bigger Lisbon team in the Sectional Tournament. Although it was a very depressing loss, the boys played with alot of confidence and pride and in so doing earned their due respect from their opponent.

I would like to commend these players for the courage they displayed throughout the year against very difficult odds. To learn to cope with adversity is a tremendous learning experience and I sincerely believe these boys learned this well.

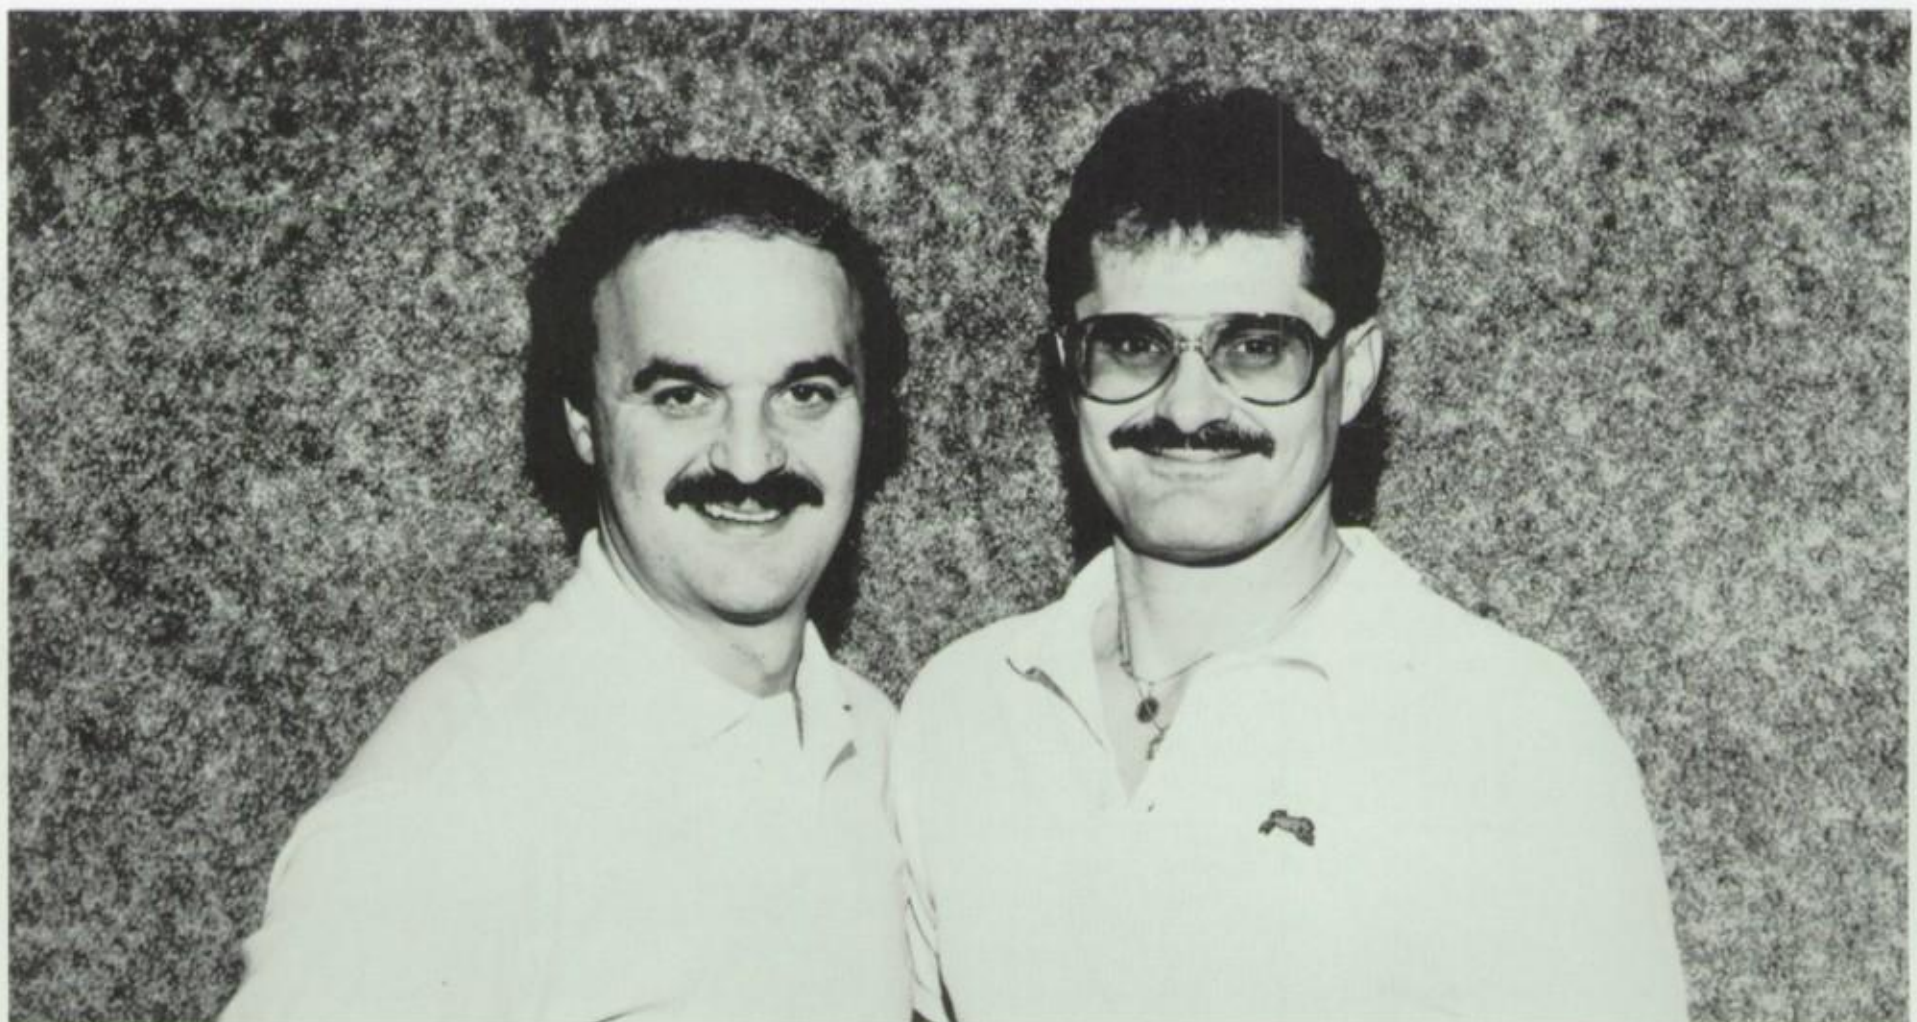

To our departing seniors: Eugene, Frank, George, and John I can only say that the experiences you encountered with adversity this season will make you a better person, I'm sure, As you continue on with "The Game of Life". Best of Luck, Always

Yours in Sports, Dick Williams

The 1986-87 Basketball Season was a learning experience for the girls and the coaching staff. Going into the season we lacked size, experience and basic fundamentals. One area not lacking was the desire to win. As the season progressed we showed improvement in many areas, even though the record doesn't indicate it. The team showed a lot of heart. We the coaches would like to say how proud we are of this group of girls for never giving up. Through hard work and sheer determination, together we can make next season more promising.

A special thanks to Stacey Docherty whose experience and leadership will be sorely missed. We wish her the best of luck in all future endeavors.

I would like to congratulate the 1986-87 Jr. High Basketball Team on a fine season. They ended up with four wins against nine losses, two of those losses were by two and four points.

I would like to thank all of the boys for all of the hard work that they put in from the first day to the last day of the season. They really did a great job in the tournaments when they fell to Columbiana in Triple Overtime.

Pride is the word I would use to describe the way that I felt about this years Junior High Football Team. They practiced and worked hard. Though few in number, they won their first game in three years.

The boys earned my respect as well as the assistant coaches' (Billy Schiraldi). There is no doubt in my mind; they are all winners, and possess the qualities that ROCKETS are made of. They will be an asset to the varsity football team.

Good Luck to the eighth graders I will lose. To the remaining and newcoming Junior High players, get ready for a great year.

The Lowellville Boys Track Team completed a very successful 1986 Track Season. The Rockets proved to be especially strong in field events and distance races. Sophomore Lou Sfara and Junior Eugene Stevens both placed in the Mahoning County and ICL meets, Stevens taking a first in the league meet. Both also advanced to the Brooklyn Regionals where they placed 5th and 8th. Junior Dom Ruozzo also completed a fine year as a long jumper. Dom placed in every major meet, he won the district, and barely missed going to the State Meet. He was our 1986 Most Valuable Player. Senior Kevin Pollock finished second in the District and jumped his way into the regionals. Senior Bob Jeges often picked up a few firsts in dual competition. Bob also placed in all major meets and reached the Brooklyn Regionals. Senior Mike Rotunno proved to be a fine leader. Senior Dave Caleris proved to be a fine 400 man. Prospects for next year look good with the return of Ruozzo, Sfara, and Stevens.

On The Right Track

Girls Varsity Track: (ROW 1) L. Hamrock, M. Moore, C. Flora, T. Mihaly, T. Hamrock (ROW 2) J. Shura, Coach Moran, L. Ballone

Stacy Docherty

Our Girls Track Team proved to be a very dedicated group of athletes. With very few members, the girls proved to be very competitive all the way. Seniors Tina Mihaly and Tina Hamrock led the distance runners. Tina M. won the Mahoning County 3200 meter and placed second in the 1600 meter. She placed 4th in the Regional in the 3200 meter and qualified to Columbus for the State Meet. She was the 1986 M.V.P. for 1986. Lena Ballone placed in the Mahoning County Meet in the hurdles. Jeannine Shura did well in the middle distance and Stacy Docherty added to the relay teams. Michelle Moore, Cindy Flora, and Lisa Hamrock led the sprinters. Our goal for 1987 is to keep working hard and to increase our numbers.

Making the Most of Life

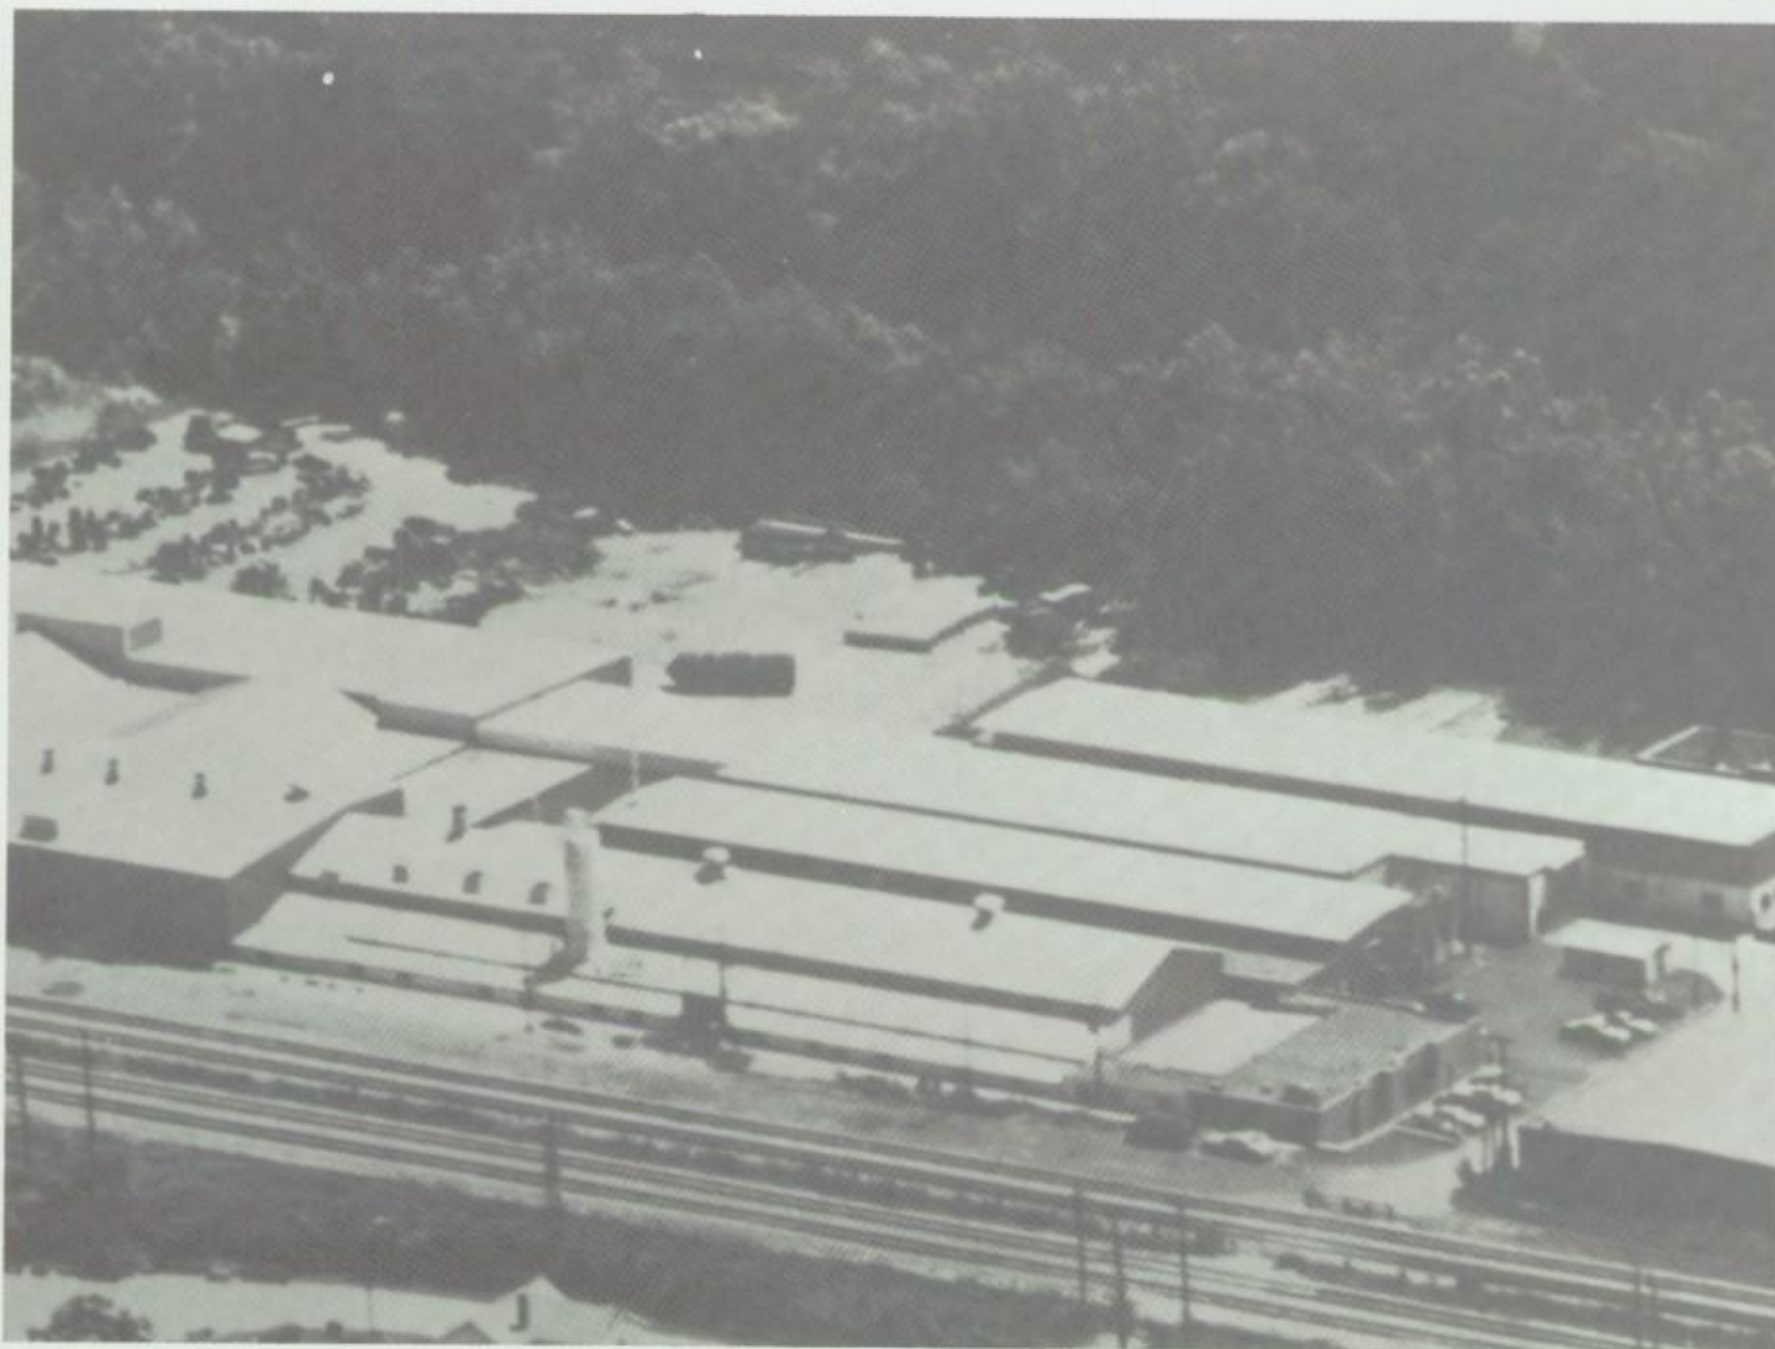

The path to wisdom and success
is not for kings alone; it is
open to you and me.
You may not succeed at first,
but the failure of your efforts may be
the needed preparation for your final triumph.
If there are a hundred steps in your
path to success
and you have not reached it in ninety-nine
of them,
do not conclude that the journey is a failure.
Press on and up . . .
the prizes are generally at the end
of an effort, not at its beginning . . .
and not to go on
is to miss them.
Be valiant . . . have faith in yourself.
Success belongs to him
who dares to win it.

CONGRATULATIONS TO LOWELLVILLE HIGH'S 1987 GRADUATES

YOU DID IT!

We hope that you have enjoyed your learning venture to date as your parents and teachers made important contributions to the unfoldment of your talents and abilities so that you might blossom and develop into mature persons.

It is our deep hope that your learning will continue and aid you in EARNING joy and happiness.

May we ask each of you to be responsibly effective in GIVING of extra effort and your best talents to life with a willingness not before seen in this great land of ours.

Your self-confidence, self-reliance, and self-direction built solidly upon deserving and true values of the past and even more upon proper moral insights and beliefs that are in harmony with all that is good, true, beautiful, just and holy, will enable you to think clearly, plan wisely, and do good in your homes and communities.

Whether your next learning trip takes you to college, to work, or to homemaking "You Can Do It" if you are willing to sacrifice and work responsibly.

Bon Voyage!

The Origin Of The Echo

The Information I received from Mr. Steve Conti concerning the name of the Yearbook is- ECHO was used because years ago if you yelled or a loud noise was heard you could hear the echo in the valley or in the village of Lowellville. The faculty of our school the year the ECHO was first printed, gave the name to the first yearbook (ECHO)!

Breates Leurcher of Florida was the first Editor of the ECHO.

EDITOR-Nanci Flora

A special thank-you to Mr. Steve Conti.
